

I Am Voting:

Because we need a Union with the strength to win:

- Health Care:** Stop Kaiser's plan to cut our benefits
- Job Security:** Stop the layoffs and reductions in hours
- Retirement:** Stop Kaiser's plan to eliminate our pension and retiree health
- Representation:** Enforce our contract rights
- Raises:** Fair wages regardless if we work in Los Angeles or San Francisco
- Dues:** Lower our dues rate by 25% with NUHW

We have a Second Chance. SEIU broke the law saying that we would lose our benefits and wages if we voted NUHW. Now we have a second chance to have a real Union, NUHW.
